PhD Opportunities**

Entrepreneurship Education

Project Area

The project will focus on entrepreneurship education in both under and post graduate pedagogical contexts. Defining how entrepreneurship education is constituted in relation to the current national and international literature will be an initial starting point. Differences in approach to business and non-business students will also be examined. The measurement of the effectiveness of entrepreneurship education will be an important aspect, and it is expected that the research will make major contributions to both the theoretical and practical aspects of the topic within an Irish perspective.

Entry Requirements

To be accepted to the PhD programme, applicants must hold a Masters degree by research from a recognised university. Applicants who do not hold a Masters by research (i.e. those with a taught Masters) may be considered for the PhD-track programme. If progress is satisfactory after the first year – judged by work in progress and an oral examination – the scholar may then transfer to the PhD programme.

A satisfactory oral and written command of the English language will also have to be demonstrated by the applicant.

Application Procedures

Applicants should submit their CV and a research proposal (approx. 3,500 words) by email to: Ms. Rachel Keegan at rachel.keegan@dcu.ie

Guidelines on how to structure a proposal can be found at:
http://www.dcu.ie/dcubs/research_proposal_guidelines.pdf

Informal enquiries about this position may be made to Dr Sarah Ingle at
sarah.ingle@dcu.ie
