

Computer Services Department

Senior Computer Operator (Part-Time, Permanent)

The successful candidate will perform general computer operations, system administration and technical support tasks. S/he will be a member of a small team of specialists supporting DCU's mission to deliver leading-edge internet-based services to the University community.

S/he will have experience in areas such as Computer Room Management, Environmentals, Backup/Recovery, System & Storage Management, Maintenance Agreements, UNIX/Linux and Internet Technologies (DNS, Web, Mail, DHCP and Proxy servers etc.). Experience of other operating systems (Windows, Netware, Mac OS-X) would be advantageous.

Applicants must hold a Leaving certificate, have a minimum of five years relevant experience, preferably have an IT related qualification and strong customer service, interpersonal and communications skills.

The successful candidate will be expected to work Wednesday afternoon, all day Thursday and all day Friday of each week.

Salary Scale: €31,446 - €39,768 (pro-rata)

Closing date: 25 November, 2005
