

**Dublin City University**  
**Faculty of Science & Health**  
**School of Nursing**  
**Researcher in Mental Health (6 month contract)**

Applications are sought for a six month contract role as a Researcher in Mental Health to work on a HSE funded project: **The Mental Health Knowledge Community Practice, Education, Research, Expert by Experience (PEREBE)**

The successful candidate must have a degree in a mental health related discipline, for example, psychology, sociology, health studies, psychotherapy. A postgraduate degree (Masters and/or PhD) in a cognate area would be a distinct advantage as would experience as a mental health service user. Experience of both quantitative and qualitative research skills will be required in order to produce a 360 degree evaluation. Ability to work autonomously, to manage contact with external agencies and research management abilities will be important considerations in appointment.

<b>Salary:</b>	Research Assistant	€21,864 - €35,213 pa
	Postdoctoral Researcher	€38,285 - €47,932pa
	Subject to qualifications and experience
