

Faculty of Science & Health

SCHOOL OF NURSING

Technical Officer/Senior Technical Officer (Three Year Contract Post)

Applications are invited for the position of Technical Officer/Senior Technical Officer, based in the School of Nursing, DCU. The post-holder will be required to provide technical support to the new BSc in Psychology which will see the first intake of students in 2010, as well as other duties.

This post offers the successful candidate the opportunity to work as part of an energetic and enthusiastic team delivering the new programme. In developing and delivering this programme, the School of Nursing is working in collaboration with representatives from the School of Health and Human Performance, DCUBS, and St Patrick's College.

Applicants for the post must hold a relevant honours degree and should have a track record of working independently, but also demonstrate their ability to work as part of a team. Applicants should also be highly IT literate and have experience in the area of IT support provision. Applications from candidates with experience in the production of multimedia artefacts for educational purposes, in the production of computer software for psychological research and/or in the support of SuperLab and E-Prime or equivalent software packages will be particularly welcome. Experience of AV support provision and/or virtual learning environments would also be advantageous.
