

50
MM

Area for level three collaborative bid research centre co-branded mark. Max width **75mm** Max height **35mm**.

Optically balance and size the co-branded mark within this area to best effect.

Our preference is for co-branded marks to print in DCU blue. If necessary, they may print in four-colour process.

The baseline of horizontally-aligned co-branded marks should relate to that of the DCU logotype.

LE DEA-MHÉIN | WITH COMPLIMENTS

Optically balance the size and position of all of the required brand marks within this grid.

Area for first brand mark.

Area for second brand mark.

Area for third brand mark.

Area for fourth brand mark...
