Astro Leagues Rules & Guidelines

1. All games will be 20 minutes a half.
2. Normal 5-a-side rules apply:
 - a) The ball can go above head height
 - b) Defending players must stand a **minimum** of three yards away from all free kicks
 - c) All free kicks will be **direct**.
 - d) No Slide tackling.
 - e) You can only score a goal inside the opposing teams half.
3. Points Win 3, Draw 1, Lose 0. Head to head result to separate teams if level on points.
4. Any team failing to turn up will forfeit their match. The team 'winning' by forfeit will receive 3 points and be awarded 5 goals 'For,' 0 goals 'Against'.
5. Teams may register 8 players. There is no limit on the number of substitutes that can be brought on from the 8 players. 'Rolling subs' will apply - as long as five players are kept on the 'field' players can go on and off as you wish.
6. Teams should arrive 5 minutes before their match is due to start.
7. ***It is the teams' responsibility to check their e-mails regularly for start times and dates and any changes to these will be sent by e-mail.***
8. The **captain** of each team needs to sign off on the result with the referee at the end of each match.
9. **(Mixed astro league)** A minimum of two ladies on the pitch at any one time.

Special Rules for Goal Keepers and Goal Areas

1. The goal keeper may **NOT** leave the area. Touching the ball outside of the area will result in a free kick being awarded. However, the referee's discretion will be used to account for momentum.
2. The goal keeper may clear the ball above head height. The goal keeper must not be in possession of the ball for more than 6 seconds; infringement results in a free kick from the edge of the goal area.
3. The goalkeeper **CANNOT** pick up a back pass. A free kick will be awarded from the edge of the goal area in line with the direction of the back pass.
